INOLAV takes great pride in the durability of its products, using materials and finishes designed to endure day-to-day use, and withstand the ever-changing humidity and temperature levels of bathroom environments. We recommend the following care instructions for your new furniture:

- 1) Only cleaning products specifically designed for furniture should be used, such as Pledge (we highly recommend Pledge Multisurface Cleaner).
- 2) Soft cleaning products such as microfiber clothes may be used, but harsh or abrasive materials will damage the surface finish or remove the sealants. No bleach or ammonia-based products should be used.
